

CHRISTMAS CLASSIC RULES

1. Be civil. This is still a youth event, so appreciate the young ones around us at all times and be respectful of the judge and others.

2. No artificial filling of livestock, e.g., NO PUMPING.

3. No straw. You may put shavings down in the indoor arena but are required to pull the shavings back 5 feet from the rail before you leave. This allows the fairgrounds crew to easily clean the shavings up.

4. If you intend to rent a box stall for overnighting, you must let us know in advance so we can reserve the necessary amount. If you use a stall, please be sure to pay for it. Every year we get stuck paying for stalls that weren't paid for and this only cuts into what we pay back out to the kids.

5. We encourage all to bring a treat for the Christmas Feast Table (not required though). It's a tradition and we want it to continue, provided health regulations allow us to have one.

6. Last of all, please come with a smile and be ready to have a wonderful time.
