To all our RMJSS Exhibitors, Parents, Breeders and sponsors,

What a crazy past couple months it has been in the Livestock showing world due to Covid-19! We have been following this situation within the RMJSS very closely and have recently been in contact with show officials about their situation with their upcoming jackpots. Some like us have gone virtual, others have been postponed, some will happen but some have closed and others have to limit who attends. Plus we are facing other hurdles which makes the future unpredictable.

Therefore at our RMJSS board meeting last night we unanimously voted to SUSPEND POINTS for the 2020 show season. This was a very hard decision and we know this will be disappointing to a lot of kids as it is was to ourselves. With the unknown about what's going to happen in the next two months and jackpots changing by the day it's hard to make a fair and even playing field for our members this year. As a board we feel like our biggest goal right now is just to have some jackpots happen for these kids and to continue to focus on that. We will continue to work closely with show officials to keep everyone updated on what's happening where and when so you can stay in the loop and make it into the ring!

For those of you who have already paid your membership for 2020 we will roll those over into the 2021 season. If you would like a refund instead we will be happy to do that for you.

The Finale will be replaced with the Dino-Mite Classic this year on July 16-18th in Vernal, Utah. We are still putting together the Divas and Dudes Virtual Show and encourage you to participate since we have some killer buckles. More information will be coming on that soon. Thank you for understanding and we look forward to having a point system back in 2021!
