

The Rocky Mountain Jackpot Show Series (RMJSS) is a non-profit youth organization created to recognize the efforts of junior livestock exhibitors and reward them for their accomplishments. It is our goal to create new opportunities in livestock showing for these exhibitors so they can set and attain new goals, learn new animal husbandry and skills, and also have more avenues to show their goats, sheep, and beef projects. At the End Of The Year Awards at the Finale in July we recognize the top10 exhibitors in each division of all three species, award scholarships to our college members and prizes for their achievements. In order for us to reach our goals of providing awards and recognition we need your help. Your sponsorship will help the RMJSS give awards that will be used towards the exhibitors future livestock projects and education endeavors. The RMJSS and its members truly appreciate your help and support and promise to put your sponsorship to good use.
